If you are stopped by a law enforcement officer:

Safely pull off immediately to the extreme right, and clear of traffic.

Stay in the driver's seat.
Do not get out of the vehicle unless asked to do so.
Keep your hands visible.
Sit calmly and follow the officer's instructions.

At night, reduce your headlights to parking lights and turn on your interior light.

Be prepared to show your driver license, vehicle registration, and proof of insurance when asked.
